MEMORANDUM FOR: ORD

SUBJECT : Russian Nuclear Storage Site

Attached are pages 7 and 8 from the CIA Bulletin of 25 April 1963 on a Russian Nuclear Storage Site. We apparently have some limited operational access to this area. Dr. Scoville is interested in having ORD consider the possibilities of exploiting this situation. It is not immediately obvious what we might accomplish. However, let your imagination be active and consider [REDACTED]

[REDACTED] We will have a think session on this some time in the near future.
